ROCK PLANTS

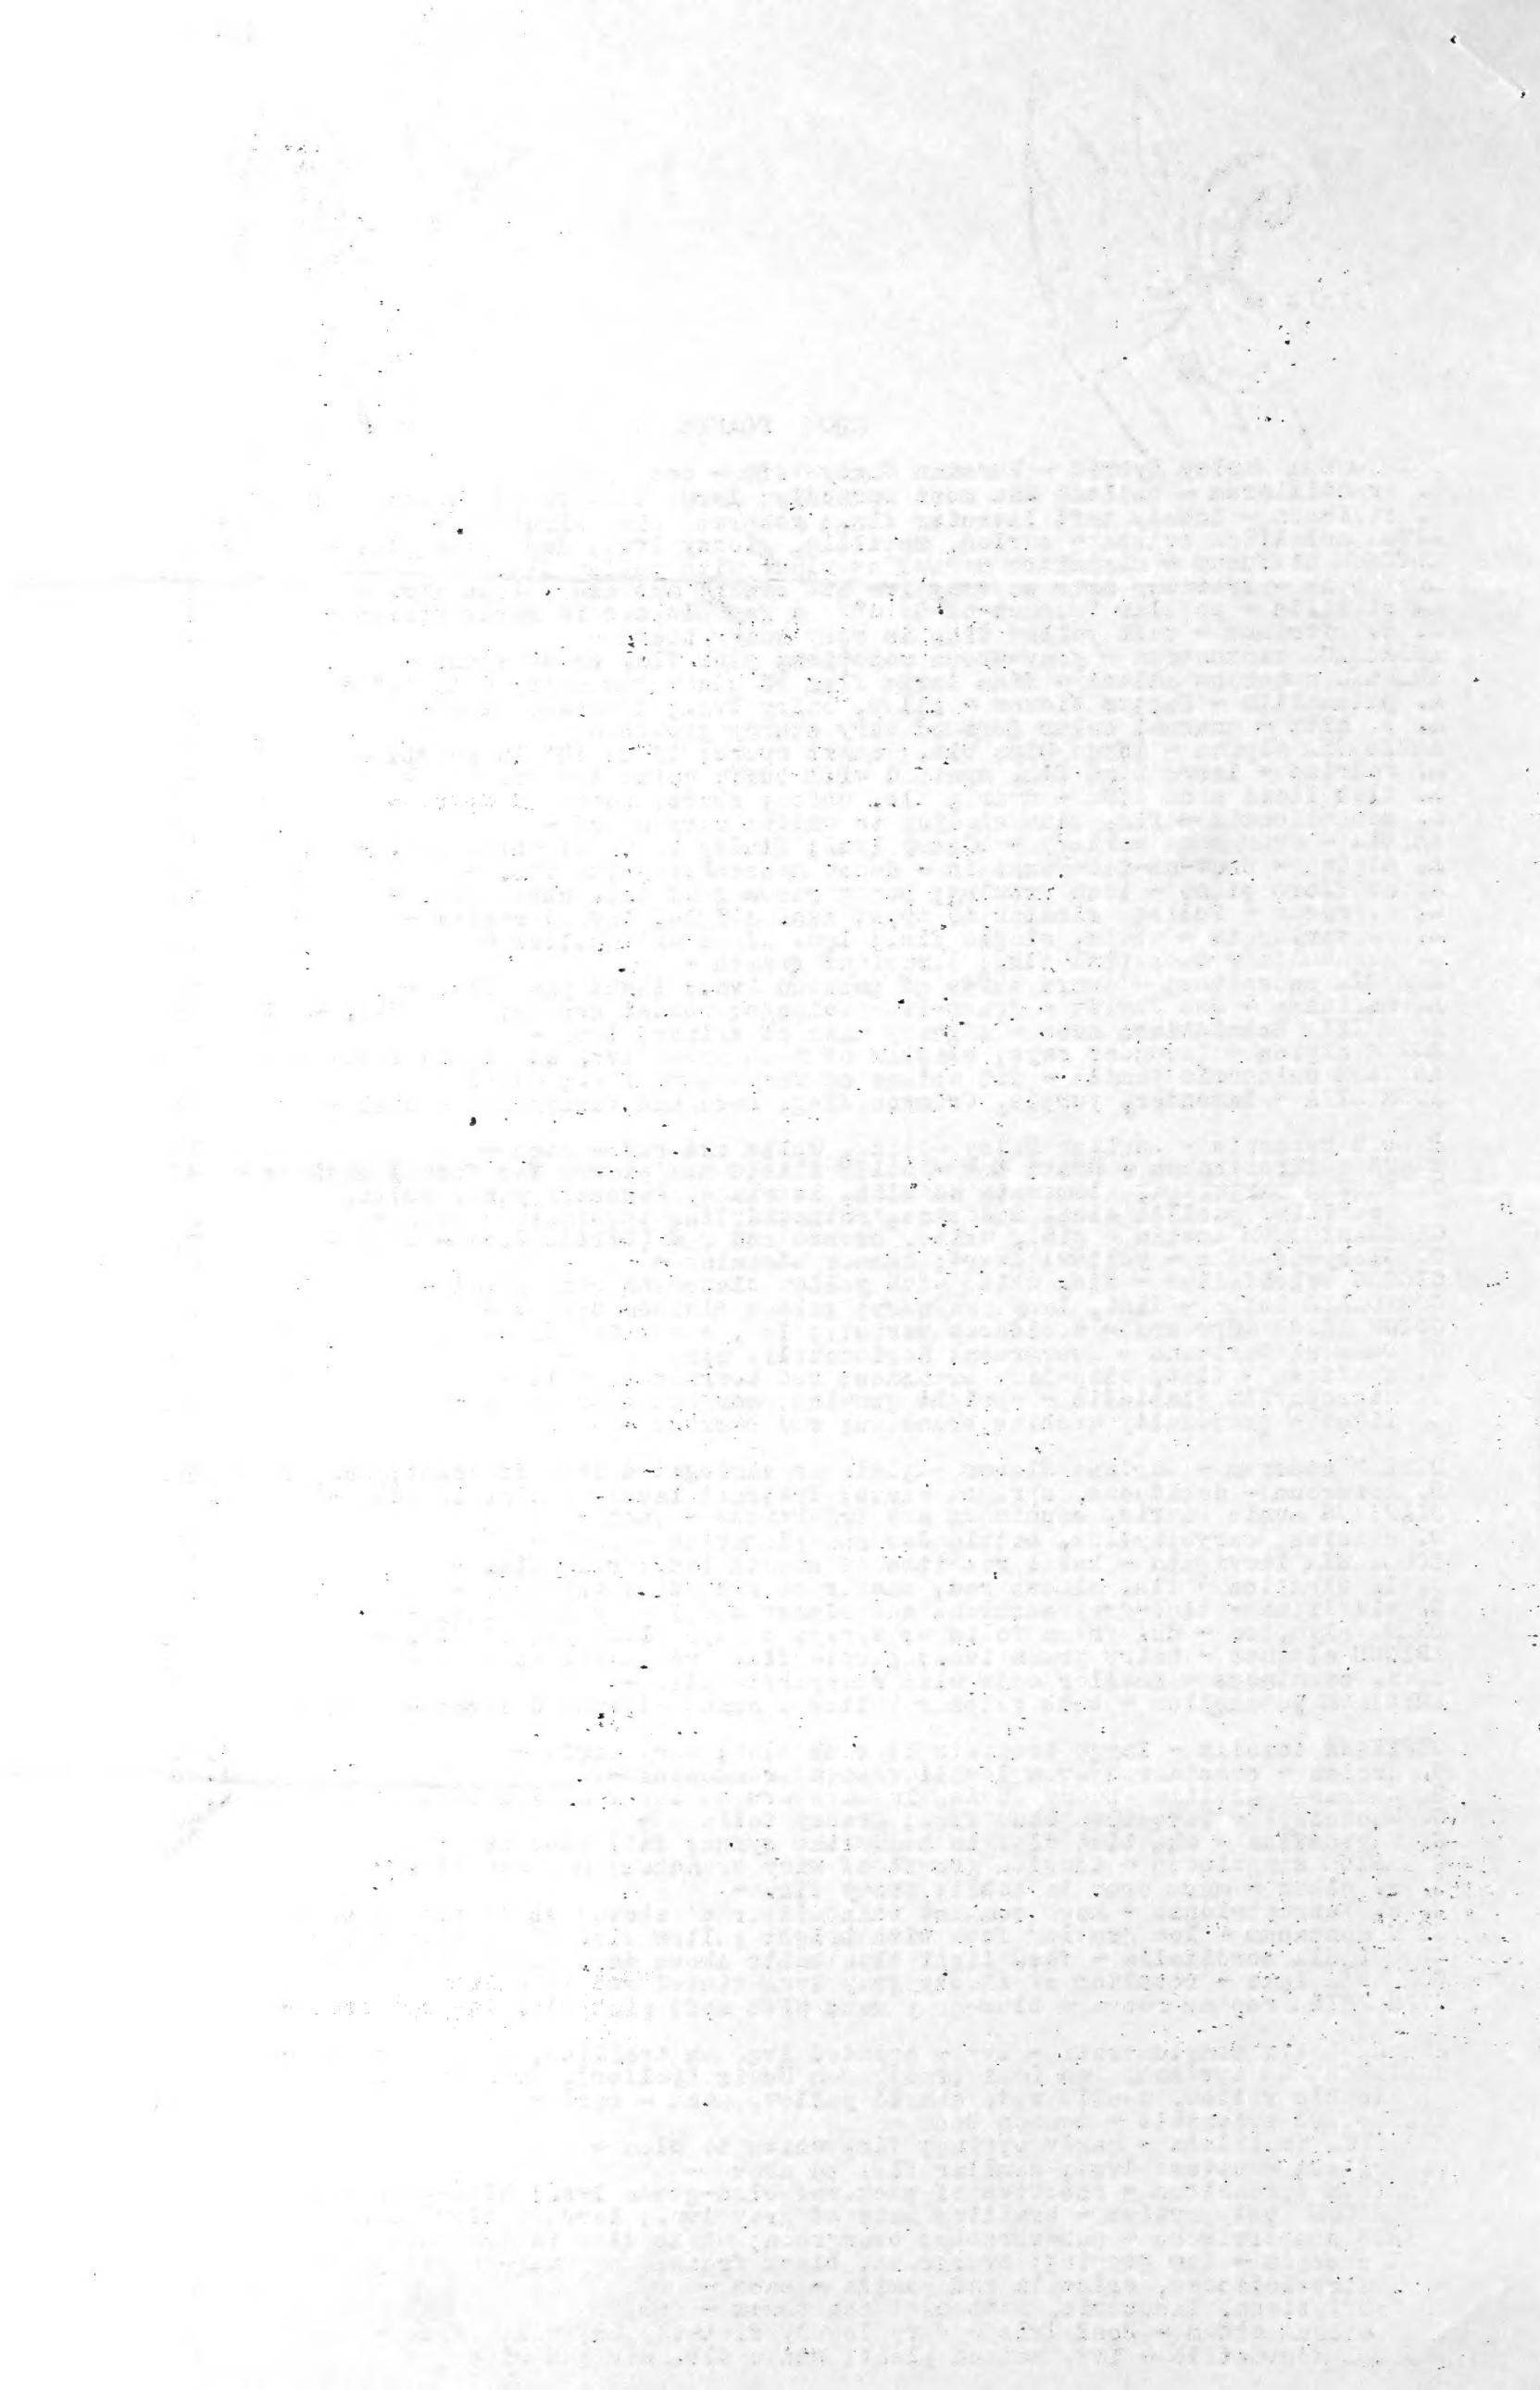

| | |
|---|-----|
| <i>ACELIQUEMA</i> Harley Hybrid - Persian Candy-tuft - deep pink - | 25¢ |
| .. <i>grandiflorum</i> - tallest and most spraddly; large flowers of glowing pink - | 35¢ |
| .. <i>stylosum</i> - lovely soft lavender fls.; moderate size shrublet - | 35¢ |
| <i>AJUGA</i> <i>metallifera</i> <i>crispa</i> - curled, metallic, glossy lvs.; dark blue fls. - | 15¢ |
| <i>ALYSSUM</i> <i>diffusum</i> - miniature sprawling plant with yellow fls. - | 25¢ |
| .. <i>repens</i> - trailing mats of gray lvs and stems; mustard yellow fls. - | 15¢ |
| <i>A. satatile</i> - popular "Basket-of-Gold" - a gay bloomer in early spring - | 15¢ |
| .. <i>s. citrinum</i> - soft yellow fls. in very heavy heads - | 15¢ |
| <i>ANDROSACE</i> <i>sarmentosa</i> - gray-green rosettes; pink fls. on 4" stems - | 25¢ |
| <i>ANEMONE</i> <i>nemorosa</i> <i>Alieni</i> - fine large fls. of clear lavender; 8 to 12" - | 25¢ |
| .. <i>pulsatilla</i> - Pasque Flower - silvery, hairy lvs.; lavender fls. - | 35¢ |
| .. <i>p. alba</i> - unusual color form of very sturdy growth - | 25¢ |
| <i>AQUILEGIA</i> <i>alpina</i> - large blue fls.; short spurs; 12 to 18" in height - | 50¢ |
| .. <i>Fauriae</i> - large blue fls. spotted with buff; quite low growing - | 15¢ |
| .. <i>flabellata</i> <i>pana</i> <i>alba</i> - dwarf; fls. white; short, incurved spurs - | 35¢ |
| .. <i>sachaliensis</i> - fls. blue shading to white; very dwarf - | 25¢ |
| <i>ARABIS</i> - evergreen variety - blousy lvs.; fluffy heads of white fls. - | 35¢ |
| .. <i>alpina</i> - Snow-on-the-Mountain - dense masses of white fls. - | 15¢ |
| .. <i>a. flore pleno</i> - lush growing; heavy racemes of dbl. white fls. - | 12¢ |
| .. <i>a. rosae</i> - foliage similar to type; fls. single, lavender-pink - | 25¢ |
| .. <i>a. variegata</i> - white, single fls.; lvs. edged with yellow - | 15¢ |
| .. <i>rosabella</i> - deep pink fls.; luxuriant growth - | 25¢ |
| <i>ARMARIA</i> <i>caespitosa</i> - dwarf tufts of pointed lvs.; light pink fls. - | 15¢ |
| .. <i>maritima</i> - Sea Thrift - grass-like foliage; robust growth; rosy fls. - | 25¢ |
| <i>ARTEMISIA</i> <i>Schmidtiana</i> <i>nana</i> - silvery mats of fringed lvs. - | 15¢ |
| <i>ASTER</i> <i>alpina</i> - lavender rays; cluster of rich green lvs. at ground level - | 35¢ |
| <i>ASTILBE</i> <i>chinensis</i> <i>pumila</i> - fat spikes of rosy-mauve fls.; dwarf - | 15¢ |
| <i>AUBRIETIA</i> - lavender, purple, Crimson King, rose and variegated - each - | 25¢ |

| | |
|---|------------|
| <i>BELLIS</i> <i>perennis</i> - English Daisy - pink, white and red - each - | 10¢ |
| <i>BUXUS</i> <i>suffruticosa</i> - Dwarf Box - stiff little miniatures for formal edgings - | 40¢ |
| <i>CAMPANULA</i> <i>carpatica</i> , <i>glomerata</i> <i>acaulis</i> , <i>istriaca</i> , <i>Poscharskyana</i> , <i>pulta</i> , .. <i>pusilla</i> , <i>pusilla</i> <i>alba</i> , <i>Raddeana</i> , <i>retundifolia</i> , <i>turbinata</i> - each - | 25¢ |
| <i>CHRYSANTHEMUM</i> <i>Amelia</i> - pink, white, bronze and red (little Joe) - each - | 25¢ |
| <i>CISTUS</i> <i>salvifolius</i> - fls. white with yellow blotch on each petal - | 25¢ |
| <i>CORYDALIS</i> <i>lutea</i> - fine, lacy greenery; golden blossom sprays - | 25¢ |
| <i>COTONEASTER</i> <i>adpressa</i> - deciduous variety; low, spreading branches - | 75¢ & 1.50 |
| <i>C. Dammeri</i> <i>doricensis</i> - evergreen; horizontally spreading - | 75¢ & 1.50 |
| <i>C. humifusa</i> - flat, whip-like branches; red berries in fall - | 50¢ & 1.00 |
| <i>C. microphylla</i> <i>glacialis</i> - upright growing; congested branches - | 50¢ |
| <i>C. Tibet</i> - gracefully arching branches; red berries - | 50¢ |

| | |
|---|------|
| <i>DAPHNE</i> <i>oeconomum</i> - Garland Flower - plain or variegated lvs; fragrant; pink - 25¢ | 50¢ |
| <i>D. mezereum</i> - deciduous, upright shrub; fragrant lavender fls. in Feb. - | 1.20 |
| <i>DIANTHUS</i> <i>Annie Lauris</i> , <i>coccineus</i> and <i>graniticus</i> - each - | 15¢ |
| <i>D. caesius</i> , <i>caryophyllus</i> , Little Joe and <i>plumarius</i> - each - | 25¢ |
| <i>DOUGLASIA</i> <i>laevigata</i> - basal rosettes of smooth lvs.; rosy fls. - | 25¢ |
| <i>D. I.</i> <i>Olympica</i> - fls. almost red; easier to grow than the type - | 50¢ |
| <i>D. vitaliana</i> - blue-gray cushions and almost stemless yellow fls. - | 50¢ |
| <i>DRABA</i> <i>olympica</i> - dk. green foliage; sprays of sparkling yellow fls. - | 35¢ |
| <i>ERINUS</i> <i>alpinus</i> - hairy green lvs.; purple fls. from April to June - | 50¢ |
| <i>E. a.</i> <i>carmineus</i> - smaller mats with red-purple fls. - | 25¢ |
| <i>ERYSIMUM</i> <i>pulchellum</i> - both sulphur yellow & orange-flowered forms - each - | 25¢ |

| | |
|--|------|
| <i>GENTIANA</i> <i>acaulis</i> - large trumpets of rich blue; very early - | 1.00 |
| <i>G. excisa</i> - considered even lovelier than preceding - | 1.00 |
| <i>G. Kurroo</i> - trailing stems ending in clusters of large medium blue fls. - | 1.00 |
| <i>G. Macaulayi</i> - turquoise blue fls.; grassy foliage - | 50¢ |
| <i>G. septemfida</i> - dk. blue fls. in head-like cymes; fall blooming - | 25¢ |
| <i>GERANIUM</i> <i>sanguineum</i> - tangled growth of wiry branches; magenta fls. - | 25¢ |
| <i>G. s. album</i> - more open in habit; snowy fls. - | 25¢ |
| <i>G. s. lancastriense</i> - more compact than either of above; shell pink fls. - | 50¢ |
| <i>GEUM</i> <i>montanum</i> - low growing form with bright yellow fls. 1" in diameter - | 50¢ |
| <i>LOBULARIA</i> <i>cordifolia</i> - fls. light blue balls above dark green foliage - | 25¢ |
| <i>GOMPHIUM</i> <i>laxa</i> - rosettes of fleshy gray lvs. tinted red in autumn - | 35¢ |
| <i>GYPSOPHILA</i> <i>repens</i> <i>rosea</i> - blue-gray mats with soft pink fls. in profusion - | 25¢ |

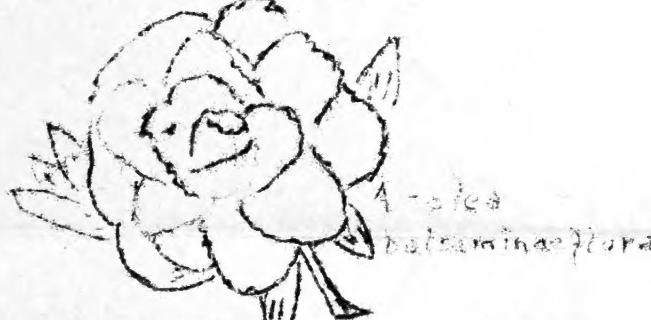

| | |
|---|-----|
| <i>HELIOSPERMUM</i> <i>helix</i> <i>conglomerata</i> - Ivy - crowded lvs. on trailing, twisted stems - | 25¢ |
| <i>HELIANTHEMUM</i> <i>apricot</i> , Ben Ledi (red), Ben Nevis (yellow), Brunette (burnt orange) double yellow, double red, single yellow, pink - each - | 25¢ |
| <i>HELLBORUS</i> <i>orientale</i> - Lenten Rose - | 75¢ |
| <i>HEPATICIA</i> <i>acutiloba</i> - early spring; fls. white to blue - | 25¢ |
| <i>H. trifolia</i> - obtuse lvs.; similar fls. to above - | 25¢ |
| <i>HEUCHERA</i> <i>pyrenaicum</i> - rosettes of puckered blue-green lvs.; blue-purple fls. - | 25¢ |
| <i>HYPERICUM</i> <i>polyphyllum</i> - trailing mats of gray lvs.; large yellow fls. - | 25¢ |
| <i>IRIS</i> <i>sibirica</i> - sub-shrubby; evergreen; white fls. in profusion - | 25¢ |
| <i>I. crenata</i> - low growing; evergreen; black fruit; unusual - small plants - | 25¢ |
| <i>I. atroviolacea</i> , <i>cristata</i> and <i>pumila</i> - each - | 15¢ |
| <i>I. douglasiana</i> , <i>lacustris</i> , <i>Ruthenica</i> and <i>tonax</i> - each - | 25¢ |
| <i>I. tectorum</i> <i>album</i> - Roof Iris - very lovely flat-topped, whit. fls. - | 35¢ |
| <i>ISOTOMA</i> <i>fluviatile</i> - low, matted plant; white fls. str ped with purple - | 25¢ |

| | |
|--|-----------|
| <i>LAVENDULA atropurpurea nana</i> - French Lavendar - dwarf; very dark fls. - | 25¢ |
| <i>LEWISIA columbiana rosea</i> and <i>Finchii</i> - each - | 25¢ |
| <i>LITHOSPERMUM prostratum</i> - dark green mats covered with blue fls. in late spring - | 25¢ |
| <i>LYCHNIS alpina</i> - small tufts surmounted by tightly clustered rose fls. - | 25¢ |
| <i>MAHONIA aquifolia</i> - shiny leaved Oregon Grape attaining 2 to 4' in height - | 15¢ |
| <i>NEPETA cataria</i> - old-fashioned Catnip - aromatic herb - | 35¢ |
| <i>N. mussini</i> Six Hills - improved variety; about 1' in height - | 25¢ |
| <i>N. m. superba</i> - an earlier flowering variety of lax habit - | 25¢ |
| <i>NIEREMBERGIA hippomanica</i> - bell shaped fls. of lavender-blue - | 25¢ |
| <i>OMPHALODISCUS verna</i> - Creeping Forget-me-not - clear blue fls. over long season - | 25¢ |
| <i>PACHISTIMA canbyi</i> - low evergreen shrub; inconspicuous reddish fls. - | 25¢ |
| <i>PENSTEMON Barrettae</i> , <i>Menziesii</i> - ea. 25¢ <i>P. rupestris</i> alba, <i>P. r.</i> Pink - ea. - | 75¢ |
| <i>PELOX alba</i> , Apple Blossom, atropurpurea, <i>Campanula</i> , Sprite and subulata - | 15¢ |
| <i>PIERIS floribunda</i> - Lily-of-the-Valley Bush - small plants - choice - | 35¢ |
| <i>PLATYCODON Mariesi</i> - Balloon Flower - deep purplish flowers; showy - | 25¢ |
| <i>POTENTILLA cinerea</i> - dainty wee plant with golden yellow fls.; dark green lvs. - | 35¢ |
| <i>P. Tonguei</i> - semi-prostrate stems; fls. apricot with orange centers - | 25¢ |
| <i>PULMONARIA lutea</i> , <i>saccharata</i> and <i>Mrs. Moon</i> - each - | 25¢ |
| <i>RANUNCULUS montanus</i> - not a run-away type of buttercup; bright yellow fls. - | 15¢ |
| <i>ROSACEAE</i> Rouletti and Oakington Ruby - dwarf roses of good hardiness - each - | 15¢ & 25¢ |
| <i>SAXIFRAGA aeizoon</i> , <i>a. rosea</i> , <i>megasea</i> , <i>cordifolia</i> & <i>crassifolia</i> , <i>decipiens</i> , Guilford Seeding, <i>lingulata</i> , <i>marginata</i> , <i>umbrosa</i> nana - each - | 25¢ |
| <i>SEEDING</i> album, <i>divergens</i> , <i>Oreganum</i> , <i>reflexum</i> , <i>cristatum</i> & <i>spathulifolium</i> - each - | 15¢ |
| <i>SEMPERVIVUM arachnoideum</i> , <i>atroviolaceae</i> , <i>calcareum</i> , <i>rubicundum</i> , <i>tectorum</i> - each - | 15¢ |
| <i>SENECIO cineraria</i> - Dusty Miller - a fine gray edging plant - | 15¢ |
| <i>SIEVERSSIA ciliata</i> - geum-like plant; rose colored fls.; 12" in height - | 15¢ |
| <i>SILENE SCHAFFTA</i> - rosy fls. in August and September - | 25¢ |
| <i>TUNICA saxifraga</i> fl. pl. - dbl. pink fls. in late summer; wiry stems - | 15¢ |
| <i>VERONICA Heckneri</i> - looks like a Cassiope; yellow-green foliage - | 25¢ |
| <i>VIOLA odorata</i> , <i>o. The Czar</i> , <i>Rosina</i> , dbl. Russian - small plants - each - | 25¢ & 75¢ |

CREEPERS & GROUND COVERS

| | |
|---|-----|
| <i>ACALYPA glauca</i> - trailing; gray foliage; quite attractive - | 15¢ |
| <i>A. microphylla</i> - similar habit; green lvs. turning crimson in autumn - | 15¢ |
| <i>AJUGA genvensis</i> - large green lvs.; spikes of light blue fls. in April - | 15¢ |
| <i>A. reptans rubra</i> - lvs. burnished bronze; purple fls. - | 15¢ |
| <i>ARCTOSTAPHYLOS uva-ursi</i> - Bearberry or Kinnikinnick - a fine creeping evergreen | 25¢ |
| <i>ARMERIA</i> Balearica - miniature white fls. above tiny, ovate, glossy lvs. - | 25¢ |
| <i>BELLUM minutum</i> - wee daisies an inch or two above light green mats - | 25¢ |
| <i>COTULA squalida</i> - carpet of ferny, light green foliage; shade loving - | 15¢ |
| <i>DRYAS Sundermannii</i> - prostrate woody branches covered with oak-like lvs. - | 15¢ |
| <i>LOTUS corniculatus</i> - clover-like lvs.; yellow, pea-blossom fls. - | 35¢ |
| <i>LUTHER pectinata</i> - Partridge Foot - native of our alpine areas - | 15¢ |
| <i>LYSIMACHIA nummularia</i> - Creeping Jenny - shiny round lvs.; yellow fls. - | 25¢ |
| <i>MAZUS reptans</i> - lobelia-like fls. but larger and lavender; tender - | 15¢ |
| <i>MINTHA requieni</i> - tiny lavender fls.; mint-scented lvs. and stems - | 15¢ |
| <i>MITCHELLA repens</i> - small oval, marbled lvs.; bell-like fls. - | 25¢ |
| <i>NIEREMBERGIA rivularis</i> - each flower a white chalice open to sun and rain - | 15¢ |
| <i>POLYGONUM vaccinæfolium</i> - slender, rusty branches; rosy fls. in late summer - | 25¢ |
| <i>SAGINA subulata</i> - green carpet studded with white stars in summer - | 25¢ |
| <i>SHORTIA galacifolia</i> - Oconee Bells - shiny lvs. turning red in fall; white bells - | 15¢ |
| <i>SILENE acaulis</i> - moss-like, tufted perennial with deep pink fls. - | 35¢ |
| <i>VACCINEUM vitis-idae</i> - creeping huckleberry; white fls.; red berries - | 25¢ |
| <i>V. v.-i. minor</i> - miniature of the preceding; ideal under rhododendrons - | 25¢ |
| <i>VERONICA repens</i> - light blue fls.; dense mats of light green lvs. - | 25¢ |
| <i>VINCA minor</i> - Periwinkle - blue, white or purple - | 15¢ |

DWARF RHODODENDRONS & AZALEAS

| | |
|--|------|
| <i>AZALEA balsaminaeflora</i> - double rose-peach fls.; very dwarf; small plants - | 25¢ |
| <i>A. Flame Creeper</i> - single fls. of the same color; grows slightly faster - | 25¢ |
| <i>A. mollis</i> - deciduous; large salmon fls.; very showy - | 50¢ |
| <i>A. poukhanensis</i> - evergreen; rosy purple fls. - | 25¢ |
| <i>A. Flame</i> - 1.50 ... Lester Lovett - 75¢ ... Pinky - | 1.00 |

| | |
|---|------|
| <i>KALMIOPSIS Leachiana</i> - kalmia-like fls.; dark green foliage; unusual - | 1.00 |
|---|------|

| | |
|--|------------|
| <i>RHODODENDRON ciliatum</i> - large, pendant pink bells; evergreen - | 25¢ & 1.00 |
| <i>R. Chinabarinum</i> - a few small plants available - | 35¢ |
| <i>R. Laphnoides</i> - shiny, pointed lvs.; large rose-red fls. - | 25¢ & 1.00 |
| <i>R. fastigiatum</i> - small, grayish-lvd. shrub; reddish fls. - | 35¢ & 1.00 |
| <i>R. ferrugineum</i> - clusters of deep pink fls.; shy bloomer - | 35¢ & 5¢ |
| <i>R. glaucum</i> - rose-colored, campanulate fls.; lvs. glaucous beneath - | 25¢ |
| <i>R. hirsutum</i> - hairy branches; light green lvs.; corise fls. - | 35¢ & 50¢ |
| <i>R. impianum</i> - lavender to purple fls.; very dwarf - small plants - | 35¢ & 50¢ |
| <i>R. impeditum</i> - similar to <i>R. fastigiatum</i> ; green lvs. - | 35¢ & 1.00 |
| <i>R. mucronulatum</i> - very early; lavender fls.; 2 to 4' in height - | 25¢ & 1.50 |
| <i>R. Pomakense</i> - large pink bells; sturdy growth; small plants - | 35¢ |
| <i>R. racemosum</i> - clusters of clear pink fls.; one of the best dwarf rhododendrons | 35¢ |

DWARF CONIFERS

| | |
|---|-------------|
| CHAMA-CYPARIS <i>Lawsoniana Fletcheri</i> - fluffy, bluish, pyramidal shrub - | 75¢ |
| C. L. <i>minima</i> - low, rounded shrub with ascending branches turned sideways - | 75¢ |
| C. L. <i>nana</i> - dwarf, globose, dk. blue-green, frond-like branches - small - | 35¢ |
| C. L. <i>pisifera filifera nana</i> - sea-green tight mounds; very dwarf; rounded - | 25¢ & 1.00 |
| C. obtusa - Hinoki Cypress - tall; branches horizontal; open in habit - | 3.00 |
| C. o. <i>gracilis</i> - denser shrubs; slightly broader in form; more graceful - | 2.50 |
| C. o. <i>nana</i> - dwarf variety of the above - small plants only - | 35¢ |
| C. <i>pisifera dumosa</i> - squat, silvery, fluffy cushions - small plants only - | 35¢ |
| CRYPTOMERIA <i>Japonica nana</i> - twisted branches clothed in dk. green needles - | 25¢ |
| JUNIPERUS COMMUNIS or <i>montana</i> - prostrate, slow growing, gray-lvd. form - | 25¢ |
| J. <i>communis compressa</i> - slender, compact gray spire; slow growing - | 25¢ to 2.00 |
| J. <i>horizontalis prostrata</i> - makes a lavender-green carpet - | 50¢ |
| J. <i>variegata</i> - prostrate form of graceful habit - small plants only - | 25¢ |
| PICEA Albertina <i>conica</i> - pyramidal; light green trees - | 25¢ to 4.00 |
| P. <i>excelsa brevifolia</i> - small domes; compact; short needles - very few - | 50¢ |
| P. <i>c. capitata</i> - another choice dwarf spruce - | 50¢ |
| P. <i>c. glauco-silvana</i> - domed, dk. green bush not over 18" at maturity - | 25¢ & 1.00 |
| P. <i>c. nudiformis</i> - dished out rather than domed - | 25¢ & 50¢ |
| P. <i>c. procumbens</i> - flat-topped; shiny, sharp needles - | 25¢ & 50¢ |
| P. <i>c. pumila</i> - similar to preceding - | 25¢ & 45¢ |
| P. <i>c. Pygmaea</i> - | 75¢ |
| P. <i>c. rovens</i> - more sparsely branches & more open than P. <i>c. procumbens</i> - | 25¢ & 75¢ |
| P. <i>orientalis</i> - upright tree of slow growth; wants moist sandy soil - | 4.50 |
| TAXUS baccata - English Yew - a few small ones - | 75¢ |
| T. <i>cuspidata aurea</i> - variegated form; wide spreading branches; small plants - | 25¢ |
| T. <i>c. nana</i> - irregularly spreading shrub; rugged; slow growing - | 25¢ & 2.50 |
| T. <i>repandens</i> - a trailing form of graceful habit - | 25¢ |
| TSUGA canadensis Sargentii pendula - graceful cascading growth; delightful - | 75¢ |

BROOMS

| | |
|--|------------|
| CYTISUS <i>Kewensis</i> - creamy fls.; low shower of branches - | 50¢ |
| C. <i>purpureus</i> - gracefully arching branches; purple-mauve fls. - | 50¢ |
| GENISTA <i>dalmatica</i> - thorny little gorse; hummocks of bright gold when in bloom | 75¢ |
| G. <i>decumbens</i> - prostrate, straggly variety suitable for bank or rockery - | 75¢ |
| G. <i>falcata</i> - thorny, wiry stems; achieves height of 2' or more - small plants - | 25¢ |
| G. <i>horrida</i> - silvery mounds with yellow fls.; spiny and stiff - | 75¢ |
| G. <i>praecox</i> - Moonlight Broom - reaches 3 to 5'; gracefully arching branches - | 75¢ |
| G. <i>radiata</i> - spidery bush; rounded appearance; bright green; yellow fls. - | 1.50 |
| G. <i>sagittalis</i> - Arrow Broom - prostrate; spikes of deep golden fls. - | 50¢ & 1.00 |
| G. <i>tinctoria</i> fl. pl. - prostrate with tangled branches; dbl. yellow fls. - | 25¢ |

DWARF HEATHERS

| | |
|--|-----------|
| BRUCANTHALIA <i>spiculifolia</i> - clear pink fls.; likes moisture - | 25¢ & 50¢ |
| CALLUNA vulgaris alba - soft green foliage; pure white fls. - | 25¢ |
| C. v. <i>Alportii</i> - deep rosy-lavendar fls. in late summer; dark foliage - | 25¢ |
| C. v. County Wicklow - dbl. pink; fall blooming; compact - | 25¢ & 50¢ |
| C. v. <i>flore pleno</i> - not so compact as preceding; dbl. lavender fls. - | 25¢ |
| C. v. <i>Foxii nana</i> - well rounded mounds of light green; very dwarf - | 35¢ |
| C. v. J. H. Hamilton - darker fls. than Cty. Wicklow; dull foliage - | 25¢ |
| C. v. McKayi - soft dark green foliage; pale pink fls. - | 25¢ & 35¢ |
| C. v. <i>minima</i> - bright green ground cover; single pink fls. - | 50¢ |
| C. v. m. Smith's var. - spires of rusty foliage angling from plant - | 25¢ & 35¢ |
| C. v. <i>nana</i> - dwarf; dark green foliage, almost black in winter; pink fls. - | 25¢ |
| C. v. <i>pygmaea</i> - carpeting form but taller than C. v. m. -; pink fls. - | 25¢ |
| C. v. <i>variegata</i> - golden tips to foliage, bronze in winter; pink fls. - | 25¢ & 50¢ |

| | |
|---|-----------|
| ERICA arborea alpina - fragrant white fls.; tall growing; lacy foliage - | 25¢ & 50¢ |
| E. carnea - Winter Heath - rosy bells in great profusion; sprawling habit - | 25¢ |
| E. c. King George - dark fls. in Dec.; profuse blooming - | 25¢ |
| E. c. Springwood Pink - a new, very floriferous form; a few small plants - | 35¢ |
| E. c. S. White - light green foliage; white fls. in Jan.; very prostrate - | 35¢ |
| E. c. Vivelli - bronze foliage; very deep crimson fls. in January - | 25¢ & 35¢ |
| E. ciliaris - clear rose bells on upright spikes; wiry branches - | 25¢ |
| E. cinerea - full, graceful sprays of deep lilac pink fls.; Aug. - | 25¢ |
| E. c. alba - same foliage as above; pure white fls.; late summer - | 25¢ |
| E. c. Golden Drop - golden foliage; very compact; now; only a few plants - | 35¢ |
| E. c. rubrum - brilliant red fls. in late summer; rusty foliage; slow growing - | 25¢ |
| E. Dawn - prostrate; large pink fls. through summer; new foliage tips golden - | 25¢ |
| E. Mackiana - dainty clear pink fls.; rusty cast to foliage - | 50¢ |
| E. McKayi fl. pl. - stiff, dark foliage; dbl. bright pink fls. - | 50¢ |
| E. Mediterranean hybrids - small plants of this large growing winter heather - | 25¢ |
| E. stricta - Corsican Heath - 4' or more at maturity; upright branches - | 25¢ & 50¢ |
| E. tetrailix - Cross-leaved Heather - terminal clusters of soft pink bells - | 25¢ |
| E. t. alba - similar stiff foliage; white fls. in summer - a few plants - | 25¢ |
| E. t. mollis - gray foliage; stiff stems holding large white bells - | 25¢ & 50¢ |
| E. vagans - pale lilac fls. in late summer; crowded terminal racemes - | 25¢ |
| E. v. Mrs. Maxwell - bright rose fls. in late summer; very choice - | 25¢ |
| E. v. St. Germaine - equally crowded racemes of fls. but clear pink - | 35¢ |
| E. Williamsii - soft yellow foliage when new; rose-pink fls. in August - | 25¢ & 50¢ |
| E. Wych - a tetrailix hybrid with blush pink fls. - limited number of plants - | 50¢ |
| E. cinerea Domino - large bells of snowy white, ebony sepals and stalks - | 25¢ |

PERENNIALS

15¢ each

25¢ each

Agrostemma flos-jovis
Anthemis Kelwayi
Aquilegia hybrids (Columbine)
Campanula glomerata
C. persicifolia
C. alba
Centaurea cyanus (per. Bachelor Button)
Cheiranthus allionii (Siberian Wallflower)
Erigeron alpinus
Facelia lanceolata
Melianthus flore pleno
H. hirsutus
Iris sibirica
Lychne chalcedonica
Oenothera sulphurea odora
Phlox diffusa Salmon Queen

Duckweed

GREETINGS!

People are turning their attention to their gardens with increased interest since they are apt to spend more time at home than ever before. We welcome the opportunity to assist you in planning what plants will best serve your needs. The list herewith offered will furnish some idea of the plants we raise. Many names are omitted for lack of space but we will always be glad to have you write or call about other species we might possibly have in small quantity. Descriptions are necessarily meager, too.

Visitors are always welcome and the accompanying sketch will aid you to find our nursery. Our small staff makes it impossible for someone to be available at all hours so we suggest, for your own convenience as well as ours, that you telephone first when planning a visit and coming from any distance.

Mail orders are given prompt attention although shipping is limited to once a week. Packing for shipment is gratis. Postage or express charges are to be paid by the customer as is the retail sales tax for Washington customers and these should be included in your check or money order. When very small amounts are enclosed you may wish to send stamps. If so, please send only small denominations such as one, two or three cent.

We attempt to name plants correctly but no guarantee is expressed or implied. Growing conditions affect plants so much that they may look entirely different in your garden than they looked in the nursery. They leave us in good condition and should do well if properly grown.

Let us know your needs in the lines in which we specialize and we will try to fill them.
